HAMILTON — Liberty Healthcare Services, which provides in-home help with light chores and other tasks, has been acquired by Kevin Zepp from founder Keith Shevlin.

In addition, Zepp has moved the 5-year-old business from South Broad Street to larger offices at 2333 Whitehorse-Mercerville Road, Suite B. Financial terms of the sale were not disclosed.

Zepp, of Mount Laurel, said he intends to add to the firm's approximately 100 employees. The business originally focused on Mercer, Burlington, Middlesex, Monmouth and Somerset counties, and Zepp said he wants to expand into Ocean and Camden counties.
