Greetings!

All of us at Liberty Healthcare Services would like to wish you and your loved ones a safe and happy Independence Day. Hopefully, you are able to enjoy some time off from your hectic schedule this month. Once again, thank you for all of your support.

Warm Regards,

### **Liberty News**

Liberty is pleased to announce the graduation of its newest class of Certified Home Health Aides. This class was taught at our Mercer County Office by Christine Battaglia, RN.

We would also like to thank everyone that came out to our Wine & Cheese Open House! It was a great success and we look forward to seeing all of you at our next event.

### **Preventing Falls Among Seniors**

Dangers around the home caused as many as 20,000 unintentional deaths per year between 1992 and 1999, 21 million injuries between 1997 and 2000, and 10 million emergency department trips in the U.S. each year, according to the Home Safety Council. And falls are the most common fatal injury in the home -- especially among the elderly. [Click here to read on.](#)

## **8 Miami-Dade Home Healthcare Providers Jailed for Medicare Fraud**

FBI agents arrested eight Miami-Dade residents at their homes early Friday on charges of fraudulently billing Medicare for \$22 million by charging for nurses to treat mostly homebound diabetic patients -- many of whom didn't have the disease or didn't receive the services.

## **Fawcett's Death Spotlights a Rare Cancer**

In a perverse twist of medical fate, Farrah Fawcett has become the poster girl for anal cancer, a rare disease often linked to a sexually transmitted virus.

Before her death last week, at age 62, the actress had come to terms with the illness and agreed to have her suffering and treatment chronicled for a television documentary.

"She knew that she had the kind of anal cancer that she wasn't going to ultimately overcome, and decided to leave as much of a legacy of awareness as she possibly could," her physician, Dr. Lawrence Piro, said Tuesday before her funeral. [Click here to read on.](#)
