Liberty Healthcare Services Climbs Mt. Washington for Alzheimer's Association!

Dear Friends, Family and Colleagues,

This March 27th, Travis Valentine, Mercer County Branch Director, and I will set out to climb Mount Washington in New Hampshire. This climb will help raise money for the Alzheimer's Association Greater New Jersey Chapter. While the climb certainly will be challenging and rigorous, it is nowhere near the challenge those individuals face that have

been touched by Alzheimer's. Our goal is to raise one dollar for each foot of altitude climbed which equates to 6,288 feet. Please help us reach this goal of \$6,288 for the Alzheimer's Association.

Warm Regards,

Kevin Zepp

President
